

# VIRTUAL

## Guide to Prizes

The virtual bingo lasts approx. 1hr/1hr 15mins and normally consists of 4 bingo games (5 bingo games can be done for very large groups). The type of bingo played is 90 ball – one-line, two-line. This means for each game there is a prize for:

- One line
- Two lines
- Three lines (full-house)

It is up to the company to put up prizes and distribute the prizes after the virtual bingo. In addition to the bingo prizes, we encourage a spot prize between each game. This is usually won by naming the title of a song played by the instructor.

So in total – a company needs to give consideration to approx. 16 prizes (4 per game) – see example below

	<b>Game 1</b>	<b>Game 2</b>	<b>Game 3</b>	<b>Game 4</b>
<b>One-Line</b>	Box of chocolates			
<b>Two-Lines</b>	Bottle Wine			
<b>Three-Lines (Full House)</b>	50 euro voucher			
<b>Spot Prize</b>	Bottle spirits			

Prize giving is at the discretion of a company but the better the prizes, the more engaged and excited the players are.

Full details of the prizes will need to be provided to our team in advance of the bingo. Our team will keep details of the winners on the night and will email to the group organiser after the event.
